António Maria Pereira Maia

COMPUTER ENGINEERING STUDENT

Alcáçovas, Évora, Portugal | +351 961 500 135 | antleo1970@gmail.com
LinkedIn: linkedin.com/in/antónio-maia

PROFILE

Final-year Computer Engineering student with practical experience in software quality assurance and academic experience in web, Android and database development. Comfortable with manual and automated testing, API integration and Microsoft SQL Server. Collaborative, responsible and quick to learn, with international academic experience through the Erasmus programme.

PROFESSIONAL EXPERIENCE

Software Quality Assurance Intern | Timestamp Sep 2026

- Performed manual and automated software testing and recorded defects and test results.
- Collaborated with team members, communicating findings clearly and supporting software quality activities.

EDUCATION

Bachelor's Degree in Computer Engineering | Instituto Politécnico de Beja 2023 - Present
Escola Superior de Tecnologia e Gestão | Final year

Erasmus Exchange Programme | VIKO Faculty of Electronics and Informatics Jan - Jun 2025
Vilnius, Lithuania

Secondary Education in Science and Technology 2019 - 2023
Escola Básica e Secundária Dr. Isidoro de Sousa

SELECTED PROJECTS

Pulse26 | FIFA World Cup 2026 Web Application
Developed a database-backed web application with live football information, external REST API integration, JSON processing and data management.

Android Reminder Application | Kotlin and Jetpack Compose
Built a mobile application featuring reminders, notifications, interface design and local data management.

Rental Management Database | Microsoft SQL Server
Designed and implemented a relational database with stored procedures, triggers, security roles and structured data management.

TECHNICAL SKILLS

Programming: Java, Python, SQL, JavaScript, Kotlin
Web and mobile: HTML, CSS, REST APIs, JSON, Android, Jetpack Compose
Databases: Microsoft SQL Server, database design and administration
Testing and methods: Manual and automated testing, defect reporting, Scrum, ISTQB Foundation syllabus
Tools and systems: Git, GitHub, Visual Studio Code, Android Studio, Linux fundamentals

SOFT SKILLS

Teamwork | Communication | Attention to detail | Problem-solving | Responsibility | Adaptability | Organisation | Continuous learning
